KONICA MINOLTA

Factory Refresh Program

The Factory Refresh Program (FRP) is a new way to refresh your Kona and OfficeJet printers. It's a simple, easy-to-use program that allows you to refresh your printer's appearance and performance. The FRP is available for all Kona and OfficeJet printers. The FRP is a great way to keep your printer looking like new and performing like a champ. The FRP is a great way to keep your printer looking like new and performing like a champ.

| Program | Benefits |
|------------------|--|
| Free Refresh Kit | Includes a new top cover, bottom cover, and front panel. The FRP is a great way to keep your printer looking like new and performing like a champ. |
